

# YOUNG WOMAN ENDS HER LIFE

Shoots Herself in Forehead  
While Alone at Her  
Home.

[Special to The Times-Dispatch.]  
Lynchburg, Va., October 22.—Miss Grace Evelyn Richardson, of this city, committed suicide at 2 o'clock this afternoon by shooting herself in the forehead with a revolver. She was alone in the parlor of her home at the time, her mother being in another house in the yard. Mrs. Richardson heard the shot, but thought some one else was shooting on the outside. Calling to her daughter, and receiving no response, she investigated, and found the corpse lying face downward in a pool of blood, with the pistol still tightly clenched in the right hand. So far as known, there was no reason for Miss Richardson killing herself. She left no letter, and her family cannot account for this rash act. She dropped some hints as to her intentions to her mother about 12 o'clock, but Mrs. Richardson paid no attention to them. Miss Richardson was only twenty years old and unusually attractive. The pistol used was a latest model, Hopkins & Allen, .32-calibre. Miss Richardson was in Lynchburg yesterday, and evidently bought the weapon there, as it was new and showed no signs of having been fired before the fatal shot. The family knew of no pistol being on the place.

a millionaire, who left home five or six  
weeks ago, and to a few days ago had  
been obtained. The detective declined to  
give his name or any details.  
The parents of the girl reside in Bal-  
timore or Washington, and they have  
had detectives looking for their daughter  
ever since she left home. The detective  
here this morning recently learned that  
the girl was traveling with a snake  
charmer or side show attraction, and  
that she was this week at the Stokes County  
Fair.  
It would not think about giving out  
any particulars of this affair," said the  
detective. "She is a member of one  
of the best families in Baltimore or  
Washington, and her disappearance is  
and it would be very humiliating to  
the parents to see the name of their  
daughter and the particulars of her  
capture from home in print."

# OFFICIAL INSPECTS IMPROVED PROPERTY

R. F. & P. Facilities at Fredericks-  
burg Increased—Big Cross-Tie  
Shipment.

[Special to The Times-Dispatch.]  
Fredericksburg, Va., October 22.—W.  
D. Duke, of Richmond, assistant to the  
president of the Richmond, Fredericks-  
burg and Potomac Railroad, was here  
with his private secretary and engineer  
of the road, inspecting the extensive  
improvements recently made in this  
city by the railroad. This included the  
laying of many new tracks, erection  
of a large new freight depot, and the  
erection of a new passenger platform.  
The freight depot is already in use, and  
the passenger platform will be open to  
the public about November 1. The im-  
provements not only add to the ap-  
pearance of the railroad property here,  
but they are a great convenience to the  
public and immensely to the ship-  
ping facilities.  
Fredericksburg College football team  
will leave here Monday on a special  
train, accompanied by a number of  
friends, for Orange Courthouse, where  
they will play during the day a match  
game of football with the team of  
Woodberry Forest School, which is one  
of the best in the State. A good game  
is expected.

A local firm is loading three large  
barges at the wharves here, with rail-  
road ties for the Philadelphia markets.  
The barges will carry at one trip 34,000  
ties. It is not generally known, but  
Fredericksburg is probably the largest  
shipping point for railroad ties in the  
world.  
L. Grady, of King George county,  
was struck in the eye by a flying  
splinter, and the injury to the eye af-  
fected his other eye. He came here  
and consulted Dr. F. C. Pratt, and found  
it necessary to have the eye removed.  
Dr. Pratt performed the operation. Mr.  
Grady refused to be put under an an-  
esthetic, and held the basin while  
Dr. Pratt performed the operation. He  
showed wonderful nerve.

# OPPOSES JOINT DEBATE

Chairman Day Will Not Consent for  
Holland to Meet Rumble.

[Special to The Times-Dispatch.]  
Norfolk, Va., October 22.—"If I have  
anything to say about it, there will be  
no joint debates in the Second District  
between Colonel E. J. Holland and Mr.  
Rumble, the Republican nominee for  
Congress," said Chairman Day, of the  
Second Congressional District Demo-  
cratic Committee, when seen tonight.  
Through P. J. Riley, the chairman of  
the Republican Committee of the dis-  
trict, Candidate Rumble challenged Mr.  
Holland, the Democratic nominee, to  
meet him on the stump throughout the  
district. The challenge was sent to  
Chairman Day. This announcement of  
Colonel Day means there will be no  
joint debate, as the decision in the mat-  
ter is up to him.

# Tobacco Report from Danville.

[Special to The Times-Dispatch.]  
Danville, Va., October 22.—The farmers  
are now bringing their tobacco to market  
freely, and it takes most of the day for  
the triple sales to get around. Early in  
the week the sales blocked one day. It is  
thought the reason for this was that  
below an average of the crop as to quality,  
but a sufficient quantity of the crop has  
been marketed to give a correct opinion as  
to its general character.  
In color the crop is decidedly a dark one.  
It is heavy bodied, and generally coarse  
and quite leaty. It is ripe and sweet, and  
better suited for domestic purposes than  
for export.  
Prices have started off at a higher level  
than prevailed last season at the opening,  
with an apparent good demand for all  
grades. The large operations are taking  
their usual proportions for both export and  
domestic consumption.  
Quite large sales of redried tobacco have  
been recently made of various grades of  
leaf at fairly satisfactory prices.
